Client Reviews...

Abisael y Aracelis

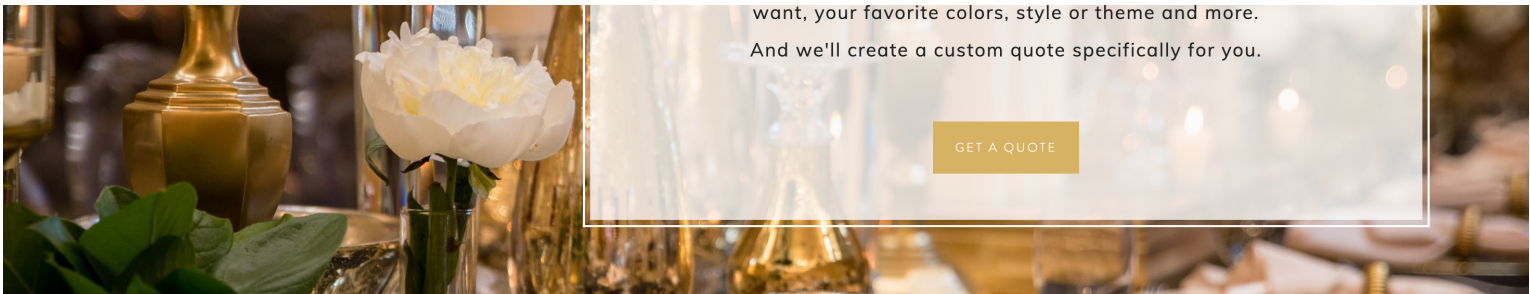

Pude ver por primera vez el trabajo de Alexander en la boda de una amiga mía. Tan pronto me comprometí y comencé mi proceso de planificación de mi boda, supe que necesitaba contactarlo. Desde esa primera reunión, superó todas mis expectativas. Sumamente profesional, atento a cada detalle, creativo y un arte único. Escucha a los novios y trabaja para brindar un servicio de excelencia. Supo plasmar exactamente lo que soñé para mi boda: una decoración diferente y única, pero a la vez elegante y delicada. ¡Lo recomiendo a ojos cerrados!
