

Welcome

IF YOU'RE LOOKING FOR A MORE INTIMATE AND PERSONAL WEDDING EXPERIENCE, WE'RE HERE TO HELP YOU CREATE THE PERFECT CELEBRATION.

Well Hello

ARE YOU LOOKING FOR A MICRO WEDDING?

Micro weddings, also known as intimate weddings, are becoming an increasingly popular option in Puerto Rico. These smaller, more intimate celebrations allow couples to focus on the things that are most important to them while still having a meaningful and memorable wedding.

In Puerto Rico, micro weddings often take place at picturesque outdoor locations, such as beaches, gardens, or mountain vistas, taking advantage of the island's stunning natural beauty. The guest list is typically limited to close family and friends, allowing for a more personal and meaningful experience. Many couples opt for a micro wedding in Puerto Rico because it allows them to have a destination wedding without the expense and stress of a larger event.
